

# **The Parable of the Vineyard**

(Luke 20:9-19)

## **The Parable: (20:9-19)**

*The religious leaders/nation of Israel will reject Jesus,  
like they rejected the prophets,  
and be replaced in God's plan  
by the Apostles/Gentile dominated church.*

- \* God graciously established the nation of Israel (20:9).
- \* God graciously sent His Word to the nation, which they rejected (20:10-12).
- \* God graciously sent His beloved Son to the nation whom they killed (20:13-18).
- \* God justly replaced the religious leaders/nation of Israel with the Apostles/Gentile dominated church (20:16,19).

## **The Principles: (20:9-19)**

*When God's graciously chosen people  
reject His authority in their lives  
they will be removed  
from their place in the plan of God.*

- \* God graciously calls us to be a part of His plan (20:9).
- \* God graciously sent His authoritative Word to His people (20:10-12).
- \* God graciously sent His beloved, authoritative Son to His people (20:13-18).
- \* God justly replaces His people in His plan when they are not submissive to His Word and authority (20:16,19).

**God opened a door for all people  
to enter and be a part of His story.**

## **HOME CHURCH QUESTIONS**

Read the Passage.

Review the Message.

What is revealed about God's character in this parable?

When have you experienced those attributes of God in your life?

Talk about a time when you have really responded to God's Word.

Talk about a time when you have struggled to respond positively to God's Word.

How do we justify not responding to God's Word?

Is there anything you need to specifically respond to now?

Talk about a time you have had to humbly submit to Christ's authority in your life.

Is there any legitimate reason to not submit to Christ's authority?

How are you contributing to advancing God's plan?
