JUDGES: A Faithful God in a Broken World
"Idolatry: The World Turned Upside-Down (Part 2)"
[\(Judges 19:1-21:25\)](#)

A Narrow Path: "Welcoming But Not Affirming"

The Incident

When God's people live with the world's values
regular life begins to contain unimaginable evil
(including misogamy, sexual perversions, and horrible violence.
(19:1-30)

(The Israelites look like the Canaanites and Sodom and Gomorrah is eclipsed by Israel)[God's
people look just like the world and Las Vegas is eclipse by Sunday Morning]

The Overreaction

Eventually God allows His people to destroy themselves
by turning them over to their own devices.
(20:1-48)

The Aftermath

Sometimes you can step over a line of moral decay
and only the grace of God and His larger purposes can save you.
(21:1-25)

*While God may allow His people to suffer
the consequences of their own foolish decisions
(often orchestrating them Himself)
He will always graciously accomplish His own redemptive purposes.*

Next Steps

- **Truth:** God's people can do horrible things, but not without consequences.
- **Warning:** There is a limit to the patience of God.
- **Challenge:** Live a counter cultural life of fidelity to God and love of others.

This Week's Growth Guide

Welcome Shevchenko Family!

We are excited to share the news that the Shevchenko family will be touching down in Arkansas in early to mid July!

Anatolii, Vita, Hlib and Kyrylo will be living in the house that the body of Fellowship helped furnish.

Please pray as our church family continues to be part of God's story in their lives and be the hands and feet of Jesus to them.

New to Fellowship?

We are so glad that you joined the Fellowship Family to worship this morning. If you are joining us for the first time or have been checking us out for a few weeks, we are excited you are here and would love to meet you. Please fill out the “Connect Card” and bring it to the Connection Center in the Atrium, we would love to say “hi” and give you a gift.

Mission Arlington Continues
