## **Automate the Important**

Summer travel is here, and routines will be changed. Plan now to ensure your giving continues throughout the summer, even when you are away. Would you consider setting up recurring giving for the next few months to enable Fellowship to continue to have the resources needed to carry out its mission? Go to [fellowshipconway.org/give](http://fellowshipconway.org/give) and click on “Automate the Important” to get started.

## **Fellowship 201 - Core Doctrines of Fellowship**

Fellowship 101 is designed to explore who we are as a church and introduce you to leaders of our ministries. This class is designed for anyone who has gone through Fellowship 101 in the last year and wants a deeper understanding of our beliefs. Together, we will go through core Christian teachings and how they apply to our daily lives. *If you weren't able to join us this morning, we would love to see you June 25, 9:00 a.m. in the Library.*

## **Nine Months That Will Change Your Life - Downline**

Apply now for next year's Downline class that starts on August 29th. The program equips individuals to know God's Word and make disciples where God has strategically placed you around the city. Space and time are limited, so visit [DownlineConway.com](http://DownlineConway.com) for more information and to submit your application. Questions? Contact Chris Kear at [chris@downlineconway.com](mailto:chris@downlineconway.com).

## **Prayer**

Fellowship places a high value on prayer. After the message, members of our prayer team will be under “Hope” and “Love” for anyone who would like to be prayed for this morning. A team member will walk into the hall with you to pray with you. Thank you for letting us engage the Lord together in prayer.

## **Stay connected**

Fellowship sends a weekly email on Thursdays with upcoming events, information, the Sunday songlist, and more. If you are not receiving this email, but want to stay connected, fill out a connection card and drop it in the offering baskets by the doors.
