Home Church

Our Home Churches meet weekly to facilitate quicker relational depth, study the same passage taught Sunday to help apply Scripture in the context of community, and pray with one another. *Home Church helps our body seek God's best for one another.*

- What resonated with you as you listened to Dave this morning?
- How have you been part of global missions in the past?
- What are some ways you have found to partner with God in His global purposes recently?
- Perhaps global missions has not been a focus for you or your family. What did you hear this morning that would be a first step towards seeing that change?
- As a Home Church, how can we encourage each other to actively engage in God's global plan for the Gospel to go to the ends of the earth?
- How can we as a Home Church encourage our missionary partners in the Gospel?

Dave and Michelle Rofkhar

Dave and Michelle have dedicated more than thirty years of their lives to full-time ministry, working to advance the cause of Christ worldwide by equipping local church leaders in Asia and serving as senior executive mission leadership in the US. Following 14 years serving in Asia, another 10 years in executive mission leadership in the US, and still having a strong passion to reach the unreached with the gospel, Dave now serves as the Executive Director of the Center for Mission Mobilization (CMM). The mission of the CMM is to mobilize the global church to send missionaries to reach the 3 billion who remain unreached with the gospel. Join us at the table in the atrium to meet and encourage Dave and Michelle.
